

Get Perspective Activity

- Your friend tells you they just bought an expensive car. ***How much did they pay for the car?***
- Your parents bring their car into the auto shop and the mechanic says the car will take a while to be fixed. ***How long will it take him to fix it?***
- You are waiting in line at the concession stand and you think “this line is too long!”. ***How many people are ahead of you?***
- Your classmate tells you they will finish their portion of the group project soon. ***When will they finish it?***
